

Coasts, Marine Structures and Breakwaters 2009

16 – 18 September 2009, EICC, Scotland, UK

The ninth conference in the successful Breakwaters series took place at the Edinburgh International Conference Centre on 16 – 18 September 2009.

With over 110 formal papers presented, 400+ attendees, 32 companies exhibiting and 40 international organisations supporting, the event was the biggest in the series so far.

AIOM was supporter of the event:
